Animal Antics!

It's Time to Monkey Around!

All kids love to go to the zoo! They seem fascinated by the different animals. We will plan fun learning explorations related to the zoo and its fine collection of animals that come from all around the world! We'll be doing lots of "monkeying around" with music and movement! The little ones are sure to go bananas over the Monkey Limbo, Monkey See-Monkey Do, Five Little Monkeys Jumping on the Bed, and more! We will enjoy making and eating monkey bread and banana pops! Come join us for an adventure where the wild things are!
