

Session 1
June 10 - June 28
Fantastic Farm

Old MacDonald had a farm. E-I-E-I-O. And we are going to have fun learning about all the animals on his farm! We will learn the noises they make, food they eat, and ways farmers care for the animals. We won't forget about all the amazing equipment that helps Old MacDonald do different jobs around the farm. We may even plant a crop or two!

Session 2
July 8 - July 26
Under the Sea

We'll be diving deep this session to explore ocean life! Water, sand, and sea life are sure to make this session a splash with the kids! We'll go on a whale hunt, listen to whale music, learn about sinking and floating and even eat edible sand! We will learn about the different plants and animals that call the ocean their home and talk about ways we can help keep our ocean clean.

(We may even learn about baby sharks... doo doo doo doo doo doo)

Session 3
July 29 - August 16
Creepy Crawlies

Insects, spiders, and wriggling worms! Children are attracted to these little creatures, so why not capture that interest and learn all about them! Our classrooms will be crawling with little entomologists! Beloved author, Eric Carle, and his art forms and books will be our guides and inspiration this session! We will enjoy his books; The Very Hungry Caterpillar, The Very Quiet Cricket, The Grouchy Ladybug, The Very Busy Spider, and The Very Lonely Firefly.

"CAMP LEARN - A - LOT"

2019 Summer Program

Littlest Angels Preschool
1095 Cloud Avenue
Menlo Park, Ca. 94025
www.LittlestAngelsPreschool.com
(650) 854 -4973
(License #414000219)

**Children must be two (2) years old to attend any session.
The Pre-K Class is for 4/5 year old children who have not yet attended
Kindergarten.**

Littlest Angels summer program follows a rhythm that is similar to our school year program. Our camps are three weeks long and each offers an exciting theme. This program is staffed by the same high-quality teachers who work during our school year program. Each session will give each camper the opportunity to experience theme related vocabulary words and facts, music, science, pretend play, creative art experiences, counting, and color, shape and letter recognition.

A morning snack will be provided. Children in the 9:00 - 1:00 program are to bring a lunch—microwaves are available to warm food.

Come join us for enrichment, socialization, exploration, and most of all some SUMMERTIME FUN!

**OUR SUMMER PROGRAM IS FILLED ON A FIRST COME-FIRST SERVED BASIS—
SO SIGN UP EARLY TO GUARANTEE A SPOT FOR YOUR CHILD!**
