OUR SUMMER PROGRAM IS FILLED ON A FIRST COME-FIRST SERVED BASIS—SO SIGN UP EARLY TO GUARANTEE A SPOT FOR YOUR CHILD!

Children must be between two and five years old to attend any session, and not have attended Kindergarten during the 2020-2021 school year.

Littlest Angels' summer program follows a rhythm that is similar to our school year program. Our camps are three weeks long and each offers an exciting theme. This program is staffed by the same high-quality teachers who work during our school year program. Each session will give each camper the opportunity to experience theme related vocabulary words and facts, music, science, pretend play, creative art experiences, counting, and color, shape and letter recognition.

All classrooms are 9:00 – 1:00. A morning snack will be provided but children are to bring a lunch. Microwaves are available to warm food.

Come join us for enrichment, socialization, exploration, and most of all some **SUMMERTIME FUN!**

Please read this important message: New information

The California State agency which issues regulations for preschools recently informed us that we can go back to the July 17, 2020 guidelines which do not include cohorts. We anticipate new guidelines soon because the California governor is changing the tier system. We are preparing for age determined classrooms in the summer and we are preparing for fewer Covid-19 related restrictions in the Fall. We are proud of the fact there have been NO Covid-19 cases at Littlest Angels. If you have any questions, please contact Katie O'Malley at katieo@bethany-mp.org.

Session 1
June 14 – July 2

Fantasy and Fairytales

Bibbidi, Bobbidi, Boo! Let the magic begin...It's OK to "act out" here! We will bring favorite tall, timeless and terrific tales to life. The activities in this theme are designed to foster children's magical, creative fantasy worlds. These timeless stories will help the children learn valuable life lessons. So come on all you mermaids, pirates, fairies, gnomes, giants, dragons and more—let's fly off and let our imaginations soar to the wonderful world of fantasy! Don't forget your pixie dust!

*** NO SUMMER PROGRAM JULY 5 to JULY 9 ***

Session 2
July 12 – 30

Colors and Creativity

Identify colors, learn about primary and secondary, and use different methods to find out what happens when they mix. Sing color songs to make learning fun. This is a perfect time to mix up a color changing volcano, too. The children will also be using their imagination and creativity as they are inspired by famous artists like Vincent van Gogh, Michelangelo and Picasso. Get your walls ready for some real masterpieces!

Session 3
August 2 – August 20

Adventure Journey – Mountains, Ocean, Islands, Desert, Forest, Jungle

Oh the places we will be exploring during this thrilling theme! Come travel with us as we journey to jungles, islands, mountain peaks and the high seas! Preschoolers are natural explorers. When they explore, they discover and when they discover, they learn! We will be having a lot of fun learning about the different animals and plants in these very different environments.
