

# *My Sense-ational Senses!!*

Week of the Young Child  
March 12-16<sup>th</sup>

We are planning a SENSE-ational week for all of our wonderful Little Angels! Our goal for Week of the Young Child is to enhance the children's awareness about how their senses help them learn about and experience the world around them. The students will have a lot of fun seeing if their senses can help them identify cookie ingredients, as we tie in our virtue theme for the year of cookies!

This will be a week that helps the students discover just how special each of their senses are! We want each child to realize that every person is unique and special; and that they are all "SENSE-ATIONAL"!
